End of Service Support Notification

To: Welch Allyn Customers
From: Global Product Marketing
Ref: Schiller / Welch Allyn Co-Branded Cardiopulmonary Products & Accessories
Date: November 1, 2013

Dear Welch Allyn Customer,

On January 1, 2004, Welch Allyn announced that the Schiller/Welch Allyn co-branded product line distribution was discontinued and no longer offered for sale... this includes Resting & Stress ECGs, Spirometry and all associated accessories. Welch Allyn would continue to provide service support and non-warranty repair parts, for all units sold by Welch Allyn, for a period of five (5) years or until December 31, 2008 or until parts were no longer available.

Effective **November 1, 2013**, the Schiller/Welch Allyn co-branded Cardiopulmonary product line reached the End of Service Life (EoSL) and Welch Allyn has determined that:

All Welch Allyn Technical Phone, Repair / Service, Calibration and Parts Support activities will be discontinued for all Schiller / Welch Allyn co-branded Cardiopulmonary models and associated accessories.

NOTE: Customers needing CP300 accessories, warranty service, and non-warranty service, may contact Schiller America: 888-845-8455 or 786-845-0620. Latin America customers may contact Schiller Latin America: 954-673-0358.

For your reference, here is a list of the EoSL - Obsoleted Schiller / Welch Allyn co-branded model numbers:

Model	Model	Model	Model	Model
AT-1	AT-2+ Combo	AT-10	SP-1	MT-100
AT-2	AT-4	AT-60	SP-2	MT-200
AT-2+	AT-5	CS100	SP-10	CP-300

If you have any questions regarding this notification, please contact Welch Allyn Customer Care.

Regards,
